The Big Bear Lake Newsletter is produced three times a year. The content of the articles are a collaborative effort of the Big Bear staff unless noted. We welcome ideas and suggestions for future editions. Please refer inquiries to Julie at 304-379-4382.

2014 Policy Notifications:

- Owner's complementary seasonal pass will be continued for 2014. Watch for additional discounted water park admissions coming this year.
- Golf cart insurance will continue to be required. We are also suggesting that all owners have liability insurance on their camping lot.
- New credit card laws now allow us to collect a service fee for the use of a credit card. We plan to start collecting this fee by February 1st. You can avoid this fee by paying by February 1st or by using a check or debit card.
- Golf cart registration fee will increase to \$10
- Annual guest passes will increase to \$15
- Daily guest passes will increase to \$3 per person per week
- New guest RV registration fee \$20

LAKE STOCKED ON MAY 2

Big Bear Lake was stocked on May 2nd with brook and rainbow trout. Various bait is currently available for sale in the Big Bear Store along with hooks and sinkers. While you enjoy fishing at the lake, please be considerate of other campers who want to fish and limit your fish catch to six per day.

2014 Flea Market Dates

MEMORIAL DAY
May 24th and 25th

4TH OF JULY HOLIDAY
July 4th, 5th, and 6th

LABOR DAY
August 30th and 31st

Important Fee Changes for the 2014 Flea Market Area

The site fee for a spot at the flea market will be \$100 this year. This fee covers all three holiday weekend flea market activities per site. Sites have been increased from 10 x 20 to 10 x 40.

All of the proceeds from the site fee go to the Property Owner's Association and help with the expense associated with the flea market.

Rules will be effective for the 2014 season and will be strictly enforced. They include:

- Only a property owner in good standing may reserve a site.
- No sites may be resold, leased, rented or occupied by anyone other than the property owner reserving the site.
- Property owners agree not to sell any counterfeit goods protected by copyrights, trademarks, patents or are otherwise prohibited by law.
- No property owner, guest or vendor may set up outside of the designated flea market area.

Permits Required for Work on Lots

All property owners must have an approved permit for many improvements on their lots. Permits are required for:

- Cutting of trees
- Building any structures: roofovers, porches, pavilions, storage buildings and fences.

Please allow 3-5 days to have a permit processed and approved. A \$20 fee is due when you pick up an approved permit. Building permits expire October 31st of each year. Tree cutting permits expire December 31st of each year.

Permits must be submitted by the person owning the property and are available from 8am to 5pm everyday.

Special Notice – Golf Cart Policies

Over the years, the popularity of golf carts at Big Bear has continued to grow. They provide an excellent means of transportation and it's just plain fun to cruise around the camplands. When operated as intended, and in accordance with manufactures guidelines, they are very safe. However, when they are modified, overloaded or used as an off-road play toy, they can become very dangerous. Unfortunately, not only have the number of carts increased but also the number of reported golf cart accidents. Every year it seems that someone is getting injured from a preventable accident. To help protect our owners from preventable accidents and other legal actions we will strictly enforce all rules and regulations concerning the registration and operation of golf carts.

Golf Cart Registration & Hold Harmless Agreement

All property owners using golf carts in the camplands must have it registered and must sign a hold harmless agreement. Registration and hold harmless agreements may be obtained at the security gate or other authorized territory personnel each year. Registrations may be obtained any time except holiday weekends at the guard house. All carts registered will be given a 2014 decal. The fee is \$10.00 for registration.

Golf cart traffic stops will be held randomly to check for current registration and territory & lot numbers. Owners operating a golf cart without current registration are subject to fines of \$50 to \$100, and possible removal of cart from the Camplands.

Golf carts may only be operated on established campland roads

No carts will be permitted on trails, short-cuts, woodlands, embankments or old quarries. Any cart found in these areas or anywhere other than a roadway (excluding your lot) will be subject to a \$100 to \$300 trespassing violation. The property owner will be responsible no matter who is driving the golf cart.

Reckless Endangerment

A person may be fined up to \$400 or the amount equal to the annual assessment fee that operates a golf cart in a manner which places or may place another person in danger of death or serious bodily injury. A person that operates a golf cart, off road in a reckless manner may be subject to this violation.

Golf Cart Liability Insurance

Liability insurance coverage is required on any golf cart used within the Campland. Proof of insurance is required to register and must remain with their golf cart starting as of July 1, 2012. Any cart operated without proper registration and liability insurance will be subject to fines according to the Code of Conduct.

This protection is also required for owners of snowmobiles..

Insurance Information

Golf carts can be insured for liability and damage just as an auto can be. They can also be insured for theft. The cost for this insurance, depending on amount of coverage and your driving record is very reasonable with rates starting around \$40. **Property Owners must make sure that their coverage will cover the cart while being operated on the roads within the camplands. Some owners have mistakenly thought they had coverage, but their policy only covers the cart when on the owner's lot.**

You can contact your current insurance provider for more information or contact these local insurance agents.

- Nationwide, Kingwood, WV 304-329-1440, Jeff Smith Agency
- First United Insurance, Oakland, Maryland 301-334-3343, Ed Panther

Golf Cart Regulations

1. All golf carts must be registered yearly, have proof of insurance, and have a 2014 sticker present on the cart.
2. All golf carts must have at least 3" size letters with the owner's lot number and territory on each side or on front & back.
3. **The person driving the golf cart MUST be a licensed driver.**
4. Driving over the posted speed limits or driving in a reckless manner is prohibited.
5. If the golf cart is used after dark it must have head lights and tail lights.
6. Golf carts can only be driven on developed roads within the Campland.
7. No more than two (2) persons are allowed on a golf cart, unless the cart is manufactured and approved for more than two.
8. All riders must be seated, absolutely no standing on the back of a cart.
9. Golf carts are not allowed on the main road from the guard house to the Country Store on major holiday weekends.

If you notice a golf cart not following the rules, get the lot number and contact the guard staff.

Holiday Restrictions on Golf Carts Apply

ANY golf cart **rented** from an authorized dealer, must also observe the restriction on Alaskan Boulevard on Memorial Day, July 4th, and Labor Day weekend holidays. No golf carts are allowed to drive on Alaskan Boulevard from the Yukon Trail intersection (past the Country Store) down to the security gate on these holiday weekends.

Dog Owners Notice

We all realize that ownership and love of dogs is at an all time high. Many property owners enjoy bring their pets with them to camp and present little problem with their neighbors. However, it only takes one noisy dog to ruin a family weekend or a serious dog bite incident to have devastating and costly consequences to all parties involved. The Declaration of Restrictions and Covenants clearly states: *All household pets which are permitted to enter or to remain within Big Bear Lake Camplands must be constantly under the effective control of their owners, and no household pets shall be permitted to roam at large or create unreasonable noise or nuisance, as for example, a barking dog.*

This regulation is very clear.

- **All dogs must be under the effective control of their owners at all times.**
- **All dogs must be on a leash while off the property owners lot or on common properties.**
- **Dogs that bark excessively are creating an unreasonable noise or nuisance.**

Any owner or guest that willfully disregards these regulations will be asked to remove their pet from the camplands. Additionally, property owners are responsible for their pet and their guest's pet if involved in a threatening or physical incident. This may include a Code of Conduct, Reckless Endangerment, violation fine of \$400. We would also ask that pets not be taken into the comfort stations and that you are considerate by cleaning up after your pet.

Policy for Receiving Owners Cards, Stickers, and Passes

Cards and Stickers for lot owners - Property owners only, may pick up in person at either office. Owners will receive a card or sticker per name on the deed. You may also request that these be sent to you in the mail.

Passes - Two annual passes are issued per assessment fee paid. Three additional passes may be purchased at \$15 per pass. Passes are sold to property owners only.

Replacement passes are also available in the case of your card being lost or destroyed for a fee of \$15.

National Running Race Coming To Big Bear

On June 14-15, Alyeska is hosting the Ragnar Appalachian Trail Series Relay Race. This race brings together 300 relay teams from all over the United States. Racers will begin on Friday, June 14, and will run for 24 hours through the wooded trails on the mountainside.

Golf carts will not be allowed past the venue entrance.

Electric Service 2014

In this newsletter you will find the electric box rental fees for the 2014 camping year. First, choose the start date for your electric service. Then payment may be made in the business office or by phone. If you call the office you will need a credit card or allow enough time for a check to be mailed before service begins.

Electric hook-ups are done each Friday of the season. Payment is required to reach the office by **WEDNESDAY** of that week. Unscheduled hook-ups may be done for an additional \$20.

If your lot does not have an electric box available on the pole, a two week request needs to be made. Additionally, for your protection the property owners electrical system must be in compliance with the electric safety codes of the camplands.

The summer electric season begins March 28th. Please note there is a six month minimum fee for electric service. **Therefore, any electric requests made after May 2, must continue until November 2, 2014.**

Please make your check out to Alyeska with your lot number and length of service indicated.

(Property owners must be in good standing, with no overdue fees and fines to obtain electric service)

Procedure for Garbage Collection Areas

Important Notice:

Televisions, computer monitors, and cell phones can no longer be accepted in our refuse area. The land fill has banned the disposal of these items. These items must be recycled at an approved facility. Persons illegally dumping these items will be subject to a \$100 service charge.

Household garbage: Most any refuse generated on your campsite may be put in to the household trailer. **Items that may not be put into this trailer include;** appliances with Freon (refrigerators and air conditioners), tires, motor oil, free liquids (paint and stains), hazardous materials, batteries, LP tanks, gasoline tanks, and flammable liquids.

Construction and Demolition Debris: Most any material used in the construction of a building or in the demolition of a structure may be put into the C&D trailer. This includes dimensional lumber, shingles, concrete blocks, windows and doors. **Items that may not be put into this trailer include;** household refuse, appliances with Freon (refrigerators and air conditioners), tires, motor oil, free liquids (paint and stains), hazardous materials, batteries, LP tanks, gasoline tanks, and flammable liquids.

Refrigerators: Any refrigerator that is generated within the Camplands will be accepted in the junk metal bin. **However, they must be red tagged and certified as Freon free.** You may contact your preferred heating and cooling company to have this done or contact Alyeska's office to have this service preformed. A charge of \$40 is required for the removal of Freon from each refrigerator or

appliances with. Freon. Persons illegally dumping a non red tagged appliance will be assessed a \$100 service charge for the proper disposal of the appliance.

Tires: Golf cart tires are the only tires that will be accepted, providing they are generated within the Camplands. NO automobile or truck tires should be generated within the Camplands and will not be accepted. Persons illegally dumping a tire will be assessed a \$20 service charge for the proper disposal of the tire.

Batteries: Golf cart batteries generated within the Camplands will be accepted. A separate storage area will be constructed to hold batteries and they will be recycled. Persons illegally disposing a battery into the trailers will be assessed a \$100 service charge for the removal and proper disposal of the battery.

Paint: Paint, stains, and roof coatings may be disposed of if they are **completely dried out.** You can store old paint cans with the lid off until they dry out or add kitty litter, sand, or dirt to adsorb the liquid until solid. Any person found to have illegally disposed of free liquids may be subject to criminal prosecution as subject to West Virginia Department of Environmental Protection's rules and regulations.

LP Tanks: Old LP tanks generated within the Camplands will be accepted in the junk metal recycling bin. Any person illegally disposing a tank into the trailers will be assessed a \$50 service charge for the removal and proper disposal of the tank.

Outside garbage: This area is for the use of Big Bear Lake property owners and their guest for the proper disposal of refuse generated within the Camplands. **Absolutely no outside garbage will be accepted!** Persons illegally disposing of non Campland generated garbage will be subject to service charges of at least \$100 and may be charged with "Theft of an unpaid service".

Scavenging: Absolutely NO scavenging will be permitted. Any person found to remove recyclable metals is stealing from the POA and will be charged accordingly.

Please note: Surveillance cameras and recording devices will be in place to enforce these rules.

Trailer Missing and Holiday Weekends: Occasionally, one may find the trailer in route to the landfill. If possible, please return later in the day to dispose of your trash. (It is estimated a round trip to the landfill takes around 4 hours). Properly bagged garbage may be left next to the fence in the event you can not return later for proper disposal. During high volume holiday weekends, we will have attendants to assist in collecting garbage and will use both trailers for household refuse to support disposal on these heavy usage weekends.

Please help us to keep Big Bear Lake clean and green with the proper use of the refuse area.

Your cooperation is greatly appreciated

New Garbage Area Proves Beneficial

The new garbage area is working well to aid property owners in the proper disposal of campland generated refuse. Most property owners are separating their refuse in the appropriate bins and complying with regulations. They have helped to reduce the total amount and cost of refuse disposal. A significant savings has also occurred with the recycling of nearly 60 tons of scrap metal generating over \$1,000 for recreation projects and saving over \$2,000 in tip fees.

Reminder From Business Office About Due Dates of Assessments

To help reduce the amount of overdue assessments the following schedule will be followed to insure that assessment dollars are collected timely.

- * Billings were mailed January 1, 2014
- * AV, WR, SVT, SVE are due on March 1, 2014
- * All other territories are due on June 1, 2014
- * ALL ACCOUNTS not paid in full within thirty days of the due date are considered delinquent and will be subject to collection through the Preston County Magistrate Court.
- * Interest is added monthly to all past due accounts at 1.5%

If you are not able to pay the assessment that is due, please call the business office for possible solutions at 304-379-4382.

Recording Artists –

The Davisson Brothers Band

Saturday, July 5th, 2014

**Big Bear Lake Camplands
on the outside stage. (Weather Permitting)**

This year the Davisson Brothers will be performing along with their father Ed Davisson and his band. Both bands will be featured this night. Bring out your family, lawn chair or blankets for a fun filled evening of music.

Changes In Credit Card Processing

Effective January 27, 2013, Visa and MasterCard is allowing businesses to add a surcharge to recoup the swipe fee paid for accepting their credit cards. This fee can be up to 4% and costs the POA thousands of dollars each year. This expense reduces the amount of money the POA has to operate the camplands and now can be recouped.

We are in the process of implementing this surcharge with our credit card processor and expect the rules that need to be followed to be out within the year. When this fee starts at Big Bear Lake we will have signs posted letting you know. This does not affect any transaction processed as a debit card.

Owner's can avoid these charges by paying with a check, cash or debit card.

NASCAR Pit stop car coming to Big Bear July 5th

The Nationwide Insurance NASCAR will be on display in the camplands from 2:00 p.m. - 8:00 p.m. on July 5th. Look for more details in the July news, bigbearwv.com, and big bear facebook page.

Annual Meeting Dates Set

The 2014 Territory Meeting will be on June 14th at 10:00 am at the Community Building.

This meeting is held annually in order that property owners may meet the POA Board of Directors and ask questions in an informal get together. **No sign up is necessary.**

ANNUAL PROPERTY OWNERS MEMBERSHIP MEETING

The Annual Meeting will be held in the Community Building on July 12, 2014 at 10:00 am.

This is a meeting with the general membership and the Board of Directors. Presentations are made about the budget, maintenance work, elections to the Board, and other items on the agenda. This is a formal meeting where members must inform the Directors if they wish to speak. Letters will be mailed to all property owners with more information about this meeting later in the summer along with their proxy for elections.

FEMA RV'S Must Meet Regulations

FEMA RV's wanting to enter the Camplands are required to be completely self contained with fresh water, grey water, and black water holding tanks installed within the RV. FEMA RV's which do not meet this criteria will not be permitted to enter the camplands. This is in compliance with the Declarations and Covenants of the Camplands.

— SEVEN DAY WEEKLY PASS —

Adult Admission (48 inches and over) \$29.99
Child Admission (under 48 inches) \$19.99

** West Virginia sales tax not included*

Property Owners continue to receive complementary waterpark passes

The POA Board of Directors has adopted a complementary waterpark pass policy. They believe that the deeded owners who are helping to pay for the park should not have to pay again to use the park. Therefore, **ONE** Bearfoot Springs season pass will be issued to property owners for each capital improvement fee paid.

- Property owners that pay more than one capital improvement fee will get a pass for each fee paid
- Passes are only good for a deeded owner of the lot (your name must be on the deed)
- Passes are not transferable (once issued you can not give to someone else)
- Owners must be current with all fees and have paid the current year's assessment (2014/2015 fees)
- Complementary passes have no cash value and can not be used for rain checks
- Complementary passes will only be issued at the business office (you can not get it at the waterpark)
- Owners must have photo ID to obtain the pass
- Complementary passes are subject to the same rules as any other season pass

DISH TV Must Be On Your Lot

Individual lot owners, who want satellite TV dishes installed for their personal use, must be sure the satellite dish is located within the boundary of their property. Any tree trimming for the dish must be limited to the owner's property/lot.

Sewage Tank Requirements

- Tank must be on concrete or off of ground for visual inspection.
- Tank and piping need to be properly valved and plumbed to prevent spills.
- Tank must be placed under camper.
- Valves need to be easily accessible.
- No sewage or grey water can be dumped on the ground.
- Valves must have a handle, be easily accessible, and be in good working condition.
- If using a tote tank, specific requirements must be met. Please ask for additional information and specifications.
- Volumes over 50 gallons or a 2nd connection will result in a higher pumping cost.

Big Bear Subject to Contractor's Licensing Act

The West Virginia Contractor's Licensing Act clearly provides policy of the state of West Virginia stating, "It is hereby declared to be the policy of the state of West Virginia that all persons desiring to perform contracting in this state be duly licensed to ensure capable and skilled craftsmanship utilized in construction projects in the state, both public and private."

The Act defined "contractor" as, a person who in any capacity for compensation submits a bid to construct, alter, repair, or add to, subtract from, or improve any building, where the cost of the materials and labor are \$2,500.00 or more.

Based upon the plain reading of the Act, it is apparent that contractors hired by property owners to perform work at the Camplands are required to have a West Virginia Contractor's License so long as the amount of work is over \$2,500.00.

The question has been asked if the Big Bear Lake POA verifies that a person working on a property owner's lot is a licensed contractor. The Act only requires "incorporated municipality or other political subdivision" to obtain the information required by the West Virginia Code before issuing building permits. A private association created by deed covenants is not required. Moreover, it is the understanding that BBLPOA does not issue the building permits to the contractor who is performing the work; rather, the BBLPOA issues building permits to the owner of the individual lots. **It is the responsibility of the lot owner to make sure the person performing the work is a licensed contractor.**

Honey-dipper Service

Please note service changes!

Alyeska conveniently offers sewage pumping service for Big Bear property owners.

Starting this season, pumping will begin on Tuesday and be completed on Wednesday, if needed. Payment must be received by close of business on Monday.

The normal schedule will be every Tuesday through November 11th. Please remember to add about 5 gallons of water and a deodorant to the tank before using.

The following options are available:

Tax not included:

1. \$16.70 per pump for single pump
2. \$13.78 per pump, minimum 10 pumps per season paid in advance
3. \$12.19 per pump, minimum 20 pumps per season paid in advance
4. \$39.75 for pump and flush
5. Tanks' which are greater than 50 gallons or have a second hook-up: additional \$10.95
6. \$44.50 Large Tank (250 gallons or more)
7. Immediate pumping request: additional cost \$30

If the weather is bad services will move to Big Bear Pavilion.

— **All Are Welcome** —

Sunday Services are Held Every Sunday at Same Time

Annual Ramp Dinner Enjoyed By Many

The Annual Ramp Dinner was held May 3rd at the Big Bear Pavilion. Many property owners and guests enjoyed a menu of fried potatoes, soup beans, corn bread, and ramp dip. All of the dishes were served with a choice of ramps or without.

A big thank you to the members of Big Bear Territory for hosting this event and to all of the volunteers who helped make this dinner a success!

For Your Information
